Doha, Chouf, Mount Lebanon Governorate, Lebanon • +961 76 918 575 • ali.alhadi.naji@gmail.com

UI/UX Designer & Web Developer with 4+ years of experience learning and creating web applications. With the use of my communication skills and empathy to make my **User Research** effective, creating user and business friendly websites is possible with highest benefits. Also, a student at **The Lebanese University** seeking to enhance the soft skills gained in the school and college through different activities and national events. High ability to lead a team and work within it to give above the results needed. Strong ability to adapt the working atmosphere and environment within any job.

Work History

MAY 2024 – PRESENT

Web UI/UX Designer and Developer | Freelance

Creating smooth, well looking, and user-friendly designs for web applications for all types and niches of businesses. Websites created implement the main modern principles of UI/UX Design to attract customers to the business through its website, using consistent brand identity through the website sections and pages. Also making the website compatible with all screen sizes using responsive web design. Adding to that keeping up with web design trends and updates by continuous learning and tracking of the field.

MAY 2025 – JUN 2025

Web UI/UX Designer and Developer | Cedars: Pizza & Bakery | Remote

Created a user-friendly website containing an overview about the business with the best UI/UX approaches that help the business grow better, including a menu showing the products served by the business. All with full responsiveness across all devices. The website undergoes periodic updates on data and design fitting the new policies of the business.

DEC 2023 – MAR 2024

Tutorial Content Creator | Code Crushers | Remote

Produced educational YouTube content focused on web design and development topics, contributing with the team to plan and create the tutorials to make them simplified, understandable, and user friendly for all learners, maintaining highest quality.
