- | | | | |
|--|---|--|--|
| • Interior Design & Space Planning | • Technical Drawings: Plans, Sections, Elevations & Details | • Residential & Office Renovation | • 3D Modeling & Photorealistic Rendering |
| • Material Selection & Presentation Boards | • Brand Identity & Visual Guidelines | • Brochure, Layout & Social Media Design | • Client Presentation & Design Documentation |

PROFESSIONAL EXPERIENCE

Senior Interior Designer | PCD Lebanon | Lebanon

Aug 2024 - Present

- Manage interior design projects from concept development through final client presentation.
- Lead residential and office renovation projects, including space planning, layout development, and material selection.
- Produce complete technical drawing packages, including floor plans, sections, elevations, and detailed drawings.
- Create 3D models, rendered layouts, presentation boards, and project brochures for client delivery.
- Coordinate the creative and technical aspects of project execution to support clear design implementation.

Interior Design Drafter | Roger Azar Interior | Lebanon

Dec 2023 - Aug 2024

- Prepared professional drafting packages, including plans, sections, elevations, and detailed interior drawings.
- Developed custom furniture details and interior construction documentation for execution.
- Refined design drawings for presentation, coordination, and site implementation purposes.
- Supported design development through 3D modeling, technical detailing, and spatial visualization.

Interior Designer & Creative Designer | PCD Lebanon | Lebanon

Jun 2020 - Dec 2023

- Developed architectural and interior drawings for residential and commercial projects.
- Produced rendered floor plans, presentation layouts, and 3D visualizations to support client approvals.
- Designed social media content, brochures, promotional videos, and branded communication materials.
- Helped maintain visual consistency across digital and print assets while supporting the design team.

Interior Design Intern | JSBC Lebanon | Lebanon

Feb 2020 - Mar 2020

- Assisted with AutoCAD floor plans, sections, and interior technical drawings.
- Supported space planning, drafting, and design development tasks within the interior design team.

FREELANCE GRAPHIC DESIGN EXPERIENCE

Graphic Design Lead | EKIN JMUN Conference | Izmir, Türkiye

May 2026

- Designed the official 10th anniversary conference logo and visual identity.
- Created branded conference materials, including badges, table tents, signage, and presentation assets.
- Received a Certificate of Appreciation for leadership and design contribution in collaboration with UNA-USA Southern New York State Division.

Brand Identity & Guidelines Designer | Homes by Homey | Melbourne, Australia

Mar 2026

- Developed a luxury brand identity system for a high-end housing company.
- Created brand guidelines covering logo usage, typography, color palette, messaging, and application rules.
- Designed social media templates and presentation mockups to ensure consistent brand application.

Social Media Designer | Mtyaleb Basketball | Beirut, Lebanon

Aug 2025

- Designed Instagram posts and story content to strengthen the team's social media presence.
- Developed engaging visual content that supported audience interaction and brand consistency.
