

Maram Abu Sweid

Beirut, Lebanon | +961 70 926 875 | maramabusweid@gmail.com

SUMMARY

Computer Science student at the Lebanese International University (LIU) with a GPA of 3.27/4.00. Passionate about UX/UI design, web development, and creating user-friendly digital experiences. Eager to gain practical experience, learn from industry professionals, and contribute to innovative digital products while continuing to develop technical and design skills.

EXPERIENCE

Customer Service & Communication

Handled client interaction and support tasks while developing communication, patience, and problem-solving skills.

Tutoring

Helped students understand academic subjects by explaining concepts in a simple and clear way.

Volunteering & Event Organization

Participated in organizing events and group activities, supporting coordination, teamwork, and planning tasks.

Technical Training

Gained basic exposure to IT concepts through academic courses and external training programs.

EDUCATION

Lebanese International University (LIU) - Beirut, Lebanon

Bachelor's Degree in Computer Science

GPA: 3.27 / 4.00

Relevant focus: Programming fundamentals, web development, and computer systems.

PROJECT

N-Ice Coffee Web Project

GitHub: <https://github.com/12431093-pixel/n-ice-coffee>

Developed a university web project to practice basic web development, page structure, and user interface design. The project was used for academic submission and to demonstrate coding skills.
