

HUSSEIN AL ASSI

Computer Science (Cybersecurity) Student

Beirut, Lebanon | +961 76 344 703 | hussein.assi099@gmail.com

PROFESSIONAL SUMMARY

Computer Science student specializing in Cybersecurity with foundational knowledge in IT support, hardware setup, Windows systems, and basic networking. Gained practical experience assisting senior technicians with troubleshooting, software installation, and user support. Seeking an IT Internship where I can continue developing my technical skills while supporting helpdesk, infrastructure, and day-to-day IT operations.

TECHNICAL SKILLS

- Operating Systems: Windows, Basic Linux
- IT Support: Hardware Troubleshooting, Software Installation, PC Maintenance
- Networking: TCP/IP Fundamentals, LAN Setup, Basic Router Configuration
- Programming & Web: Python, Java, JavaScript, HTML, CSS, SQL
- Development Tools: Basic Flask, Basic SQLite, VS Code, Basic Git & GitHub

EXPERIENCE

Junior IT Support Assistant | ASSI STEEL (2022–2024)

- Assisted senior IT staff with installing Windows and essential software on office computers.
- Supported troubleshooting of basic hardware and software issues.
- Helped configure routers and local office networks under supervision.
- Performed routine computer maintenance and user support tasks.

Freelance IT Support (2020–Present)

- Set up computers and performed basic hardware upgrades.
- Installed operating systems and desktop applications.
- Helped troubleshoot home Wi-Fi and connectivity issues.

PROJECTS

University SkillBridge Platform | HTML, CSS, JavaScript, Flask, SQLite

- Collaborated with a student team to build a university web application.
- Assisted with backend tasks using Flask and SQLite.
- Participated in testing and fixing application bugs.

Shinobi Firewall: Cyber Ninja Defender | Python, Pygame

- Developed a Python game as a university project to practice object-oriented programming, game logic, file handling, and exception handling.

EDUCATION

Bachelor of Computer Science (Cybersecurity)
University of Sciences and Arts in Lebanon (USAL)
