LEADERSHIP & HUMANITARIAN ENGAGEMENT

Scout Fidèle (Troupe Zodiaque) | *Les Scouts du Liban*

September 2015 – Present (10 Years, 11 Months)

"Scouting taught me what no classroom could: how to lead under pressure, serve without recognition, and show up for people who need you—especially when it is inconvenient."

- Active long-term involvement developing civic responsibility, outdoor survival skills, peer mentoring, and crisis management.
- Promoted absolute values of peace, brotherhood, and voluntary service to local communities, aligning directly with the scout promise.

Co-Founder & AI Community Lead | *SSCC X TECH*

March 2025 – Present

- Co-founded and scaled a student-led AI and technology community to **100+ active members** at SSCC Sioufi.
- Conceptualize and lead weekly AI challenges, peer-to-peer digital safety training, and monthly briefings on the ethical deployment of AI tools.
- Empowered younger students by making complex technical topics accessible, bridging the digital education gap within the school community.

CLINICAL & TECHNICAL EXPERIENCE

Multidisciplinary Engineering Intern | *Hôtel-Dieu de France (HDF) Hospital*

Spring 2026 (Beirut, Lebanon) — Total: 120 Hours Completed a highly rigorous technical and operational rotation at one of Lebanon's leading medical institutions, observing the intersection of technology, logistics, and patient care:

- **Information Technology (40 Hours):** Assisted with hardware diagnostics, hospital network infrastructure mapping, and shadowed administrative system management within the secure Hospital Information System (HIS).
- **Biomedical Engineering (40 Hours):** Gained practical exposure to clinical calibrations, safety compliance testing, and preventative maintenance protocols on crucial medical equipment (including ECGs, patient monitors, and sterilizers).

- **Mechanical & Facilities Engineering (40 Hours):** Explored complex hospital facilities infrastructure, including the management of heavy HVAC climate-control networks, auxiliary backup power generator grids, and hospital-wide oxygen distribution systems.

AI Project Collaborator (Freelance) | *In partnership with Randy Haddad, AI Consultant*

December 2025 – Present (8 Months)

- Collaborating directly with an established AI consultant on real-world, client-facing business automations and technological consultation workflows.
- Applying state-of-the-art prompt engineering techniques and agentic frameworks to build tools that solve practical productivity bottlenecks.

CREATIVE DIRECTION, ADVOCACY & FILMMAKING

Director, Writer & Editor | *"Les Gardiens de la Tresse" (Short Film)*

Created for the French National Competition "Je filme le Métier qui me plaît" (Season 18)

- Directed, starred in, and edited a short documentary placed under the high patronage of the **French Ministry of National Education, Youth, and Sports**, and the **Ministry of Labor**.
- Managed the full creative pipeline from original conceptual draft, scripting, casting, and directing to composing the original musical score and finalizing the color grade.
- **Recognition:** Awarded the prestigious national **Bronze Clap (Clape de Bronze) & Special Prize for Best Title** by a professional jury in Paris, France (Attestation N°185592, issued June 18, 2025).

Creative Producer | *Road Safety Awareness Campaign*

AUB Health & Communication Competition

- Conceived, wrote, and edited a dark-comedy public service announcement targeting dangerous youth behaviors on Lebanese roads (driving without licenses, mobile phone usage, and driving motorcycles without helmets).
- Submitted as a standalone advocacy piece to the American University of Beirut (AUB), receiving a **Certificate of Participation** in the Health & Communication Awareness Competition.

Director & Actor | *Short Film Productions (ISEAV, Université Saint-Joseph)*

- Gained professional hands-on film experience using high-end cinematic equipment at ISEAV, USJ.

- Produced and directed two short films: a documentary exploring the deep emotional and geographical aftermath of the 2020 Beirut Port Explosion, and a narrative short exploring themes of human connection and loss.

TECHNICAL INNOVATION PROJECTS

AI VY — AI-Powered Student Productivity Suite (Lead Architect & Project Lead)

- Led a cross-functional team of three students to develop *AI VY* (aivy-ai.vercel.app), an advanced application featuring a smart calendar, customizable focus blocks, custom Easter eggs, and a localized personal coach powered by the OpenAI API.
- **Honors: Won 1st Place Nationally** in the competitive "*L'intelligence Artificielle au Service de l'École*" (AI in the Service of School) initiative.
- **Regional Recognition:** Invited to present the application live to Ghassan Kosta (Google META Regional Manager) and placed **2nd in the Regional Google Kahoot! Challenge** held in front of the entire school assembly.

AI Lead Qualification Agent (Developer)

- Engineered a fully autonomous client qualification flow using localized, self-hosted **n8n** (via **Anaconda**) and **Python**.
- Built the entire agent pipeline from scratch under zero-budget constraints, showing strong self-directed learning and mastery over open-source workflow automation.

HONORS, CULTURE & ARTS

- **1st Prize — Antoine & Minerva Kairouz Award (Guitar Composition):** Awarded by the *Tobacco Free Initiative (TFI) Lebanon* on World No Tobacco Day (January 2024) for composing an original piece promoting health, wellness, and anti-smoking choices among youth.
- **Dabke Dancer — SSCC Annual Theatre Production:** Performed in the cultural theatrical production "*10452 da2et l jabal*" (June 2025), celebrating Lebanese cultural heritage and community resilience.
- **Diplôme de Félicitation — Le Plumier d'Or:** Celebrated for outstanding performance in the French language and literary expression.
