OBJECTIVE

Dedicated and motivated computer and communication engineer seeking a challenging role to utilize my technical skills and knowledge in software development, network engineering, and system architecture. Committed to delivering innovative solutions and contributing to advancing technology in a dynamic and collaborative environment.

EDUCATION

Lebanese International University

Bachelor of Science in Communication and Computer Engineering

GPA: 3.00

Master of Science in Communication and Computer Engineering

Beirut, Lebanon

October 2021 - June 2024

October 2024 - June 2026

CERTIFICATE

Beirut Arab University

Cisco Certified Network Associate (CCNA)

Beirut, Lebanon

June 2024 - August 2024

OGERO

1-month training

Beirut, Lebanon

July 2024

TECHNICAL SKILLS

- **Programming Languages:** Proficient in C, Java, Python, SQL, Java Script.
- **Operating Systems:** Windows, Linux.
- **Embedded Systems:** Arduino.
- **Networking:** TCP/IP protocols, network configuration, security, routing, and routers essentials.
- **Database Management:** MySQL, SQL querying
- **Hardware Design:** Digital and analog circuit design.
- **Computer Architecture:** Computer organization, processor architectures, memory systems, I/O interfaces

SKILLS & INTERESTS

Skills:

- Exceptional problem-solving and analytical skills
- Strong verbal and written communication for effective collaboration and technical presentations
- Proven experience in multidisciplinary teamwork, adaptability, and respecting diverse perspectives
- Well-versed in project management, with excellent organizational and prioritization abilities
- Demonstrated leadership qualities, initiative, and informed decision-making
- Continuous learner, embracing new technologies and industry trends
- Attention to detail and data-driven decision-making
- Adheres to ethical standards and exhibits professionalism
- Creative problem-solver with a track record of proposing innovative ideas
- Effective time management for handling multiple projects simultaneously

EXPERIENCE

- 1 year Robotics & Python Teacher

Languages: Fluent in English (Bilingual proficiency).

Fluent in Arabic (Native proficiency)

Interests: My interests are in the fields of Networking and Embedded Systems.
