PROFESSIONAL SUMMARY

Results-driven Warehouse, Logistics, and Materials Management Professional with 10+ years of experience across construction, facilities management, industrial operations, and supply chain environments. Proven expertise in warehouse operations, inventory control, materials planning, stock auditing, logistics coordination, and team leadership. Demonstrated success managing 3,000+ SKUs, coordinating containerized shipments, supporting multiple project sites, and ensuring material availability for uninterrupted operations. Skilled in ERP and inventory systems, warehouse optimization, cost control, and operational efficiency. Seeking Warehouse Manager, Logistics Coordinator, Materials Controller, or Supply Chain roles across the GCC and Africa.

KEY ACHIEVEMENTS

- Managed inventory exceeding 3,000+ SKUs across multiple warehouse locations.
- Supervised and coordinated a workforce of 11 employees.
- Coordinated receiving, storage, and dispatch operations for 3–5 containers weekly.
- Maintained high inventory accuracy through stock audits and inventory control procedures.
- Supported multiple construction and facilities projects through effective materials planning.
- Improved warehouse organization, stock visibility, and operational efficiency.
