PROFESSIONAL EXPERIENCES

LAU Office for Sustainability – Sustainability Coordinator Assistant

Beirut, Lebanon | Sep 2025 – May 2026

- Supported sustainability reporting, KPI monitoring, and strategic planning activities through structured research, data collection, and internal reporting.
- Translated survey findings and operational data into actionable insights supporting ESG-related initiatives and institutional decisions.
- Established and led a student's community gathering leaders and ambassadors at campus for enhanced partnerships.

Lebanese Ministry of Finance – Finance Intern

Beirut, Lebanon | Sep 2025 – Jan 2026

- Rotated across the Public Debt, Budget, Risk, and VAT Directorates, supporting fiscal oversight, taxation, debt management, and expenditure monitoring.
- Analyzed sovereign debt datasets and amortization schedules to support fiscal risk and public debt evaluations.
- Contributed to financial analysis and reporting in budgeting, taxation, and government expenditure monitoring.

Banque BEMO s.a.l. – Finance Intern

Beirut, Lebanon | July – Aug 2025

- Analyzed institutional banking data and developed a performance dashboard integrating financial and non-financial KPIs to support reporting and strategic decision-making.
- Structured and maintained financial data within a centralized database to improve reporting accuracy, performance monitoring, and decision-making.
- Completed virtual rotations across compliance, corporate banking, and risk-related operations and banking functions.

PricewaterhouseCoopers (PwC Middle East) – Risk Consultant Intern

Hazmieh, Lebanon | June – Aug 2025

- Supported risk advisory and internal audit engagements by developing risk registers, documenting governance policies, and assisting with internal control assessments across multiple client functions.
- Designed and documented 60+ process flowcharts supporting operational, compliance, and governance reviews within structured advisory engagements.
- Assisted in audit planning, meeting documentation, and risk assessment activities while completing training in Governance, Risk & Compliance (GRC), Internal Audit, and Risk Assessment frameworks.

InnovaThrive – Chief Strategic Officer (CSO) – co-founder

Hybrid | Jan 2025 – Present

- Led strategic planning and organizational assessment initiatives to support early-stage growth, partnership development, and operational positioning.
- Conducted research and trend analysis to identify collaboration opportunities and strengthen organizational strategies.
- Translated market and organizational insights into strategic recommendations supporting partnership and growth plans.
