SEMINARS / WORKSHOPS

Architecture and Business related

80/20 365 by the marketing and sales consultant **Adam Vincent Guilmer**, an intensive three days workshop that took place in **Antalya - Turkey**, on the **10th, 11th and 12th of May 2018**, where we got the chance to work on our **self-development** and train our **communication skills** as well as learning the ultimate way to achieve a successful life by focusing on six main points: Being, Brain, Body and on the other side Time people and Money (certificate available upon request).

Social Architecture in Lebanon:

a one week intensive workshop with colleagues in urban planning and architecture from **Grenoble University - France**, the workshop addressed the issue of the Syrian refugee camps in Lebanon, and specifically in North Lebanon, the workshop ended with multiple designs for a functional healthy and practice space over an area of more than 15 thousand square meter, one that has the potential to be used for a different function once the refugees are back home. (certificate available upon request).

Arts Related

Intensive workshop of **Jerzy Grotowski**, with The Open Program of the Workcenter of Jerzy Grotowski and Thomas Richards, 5 - 28 January 2018 at **USEK - Jounieh - Lebanon**. We were divided into teams to prepare for a final performance while working with artists and directors from over the world. (certificate available upon request)

Theatre and Democracies a performance in collaboration with **AAS USEK** (Atelier des Arts Du Spectacle), The **American Embassy** and **Afpa AgonistikArts**, under the direction of Dr. Nagy Souraty. The performance took place for 3 days in Al Madina Theatre- Beirut Lebanon from the 27 till the 30 of March 2017. (certificate available upon request).

"Initiation à la Voix" the voice of the actor with **"Khaled Al Abdalla"** - **USEK** - October 2016 - a two days workshop with a voice professor, where we got the chance to train our voices and learn the art of speaking.

Theater and **Augusto Boal** an experimental theater workshop with **AAS USEK** (Atelier des Arts Du Spectacle) under the supervision of Dr. Nagy Souraty and Dr. Lena Gebran - The performance took place on **10 march 2016** at **USEK - Kaslik - Lebanon**.
