issa.almukdad@gmail.com

EDUCATION

Lebanese International University — Beirut — B.E. Computer and Communications Engineering

OCTOBER 2015 - SEPTEMBER 2019

EXPERIENCE & TRAINING

SE Factory — Beirut, Lebanon — Cycle #10 Graduate

FEBRUARY 2020 - JUNE 2020

Intensive full stack web development program covering cloud architecture, frontend and backend development, source control, web application security, in addition to soft skills, over 14 weeks of lectures, workshops, and projects.

PROJECT

HobbyMaker — Connecting People

A single-page application (SPA) platform offering users an opportunity to find a Hobby Partner for any activity (movies, chess, jogging, bowling, etc). HobbyMaker lets users find friends by map, make realtime chat and video, engage through events and see the latest youtube videos of their hobbies. They can even ask for help via a chatbot. Built using Laravel, React.js, MySQL, Pusher, WebRTC, MaterialUI, Google Maps and Youtube APIs, Dialog Flow, Kommunicate, and Open Auth 2.0 to secure the APIs.

Numbase — Beirut, Lebanon

OCTOBER 2019 - JANUARY 2020

Full stack web development training using Django framework and python language in addition to other programming languages for the frontend development.

PROJECT

Attendance Management System

An easy to use platform to check attendance. Built using Django, Python, SQL, HTML5, CSS3, Bootstrap, jQuery, Datatable, and AJAX.

PERSONAL STATEMENT

A motivated full stack web developer who seeks challenges to innovate as much as possible in the field of software engineering. I am looking to work with like-minded people. In constant search for improvement, I enjoy learning new things every day.
