http://keeward.com

Lead Web Developer
May 2012 - Dec 2015
Triangle SARL

Co-founder for Triangle SARL a web development company.
My job was to breakdown projects into tasks and ensure each team member was well performing.
I also developed HTML5/CSS3 web portals, and control management systems for clients that demanded very specific requirements.
Also responsible for all aspects of overall technology vision, commercial web portal development, and customer delivery in Triangle. Leading all aspects of architecture for both code and database.
http://trianglemena.com/

Web Developer
May 2011 - Apr 2012
Koein

Work in CSS/HTML and c# web portals with MSSQL connections using the .net MVC3 Framework.
Part of the team that maintained Kataeb.org Web Portal. My position was to create new pages and sections.
Also changed the portal from .net MVC3 to PHP Zend 1.
