Beirut – Lebanon

EDUCATION

- **Bachelor of Business Administration (B.B.A.) - American University of Beirut**
 - Accounting & Finance Emphasis: Overall GPA of 3.4

EXPERIENCE

- **September 2017 – Present – Audit Associate at PwC Lebanon**
 - Assisted in the preparation of financial statements.
 - Focused on the Insurance and the NGO sectors throughout the audit season with extensive exposure to their environment and their business processes.
 - Developed interpersonal skills through dealing with clients, managers and team members.
 - Obtained a thorough understanding of best practice audit methodology and procedures to deliver high quality results.
 - Experienced working under the pressure of deadlines, KPI's and other factors that are relevant to an audit engagement.
- **January 2017 – April 2017 – Logistics Team Leader for BeyMUN 2017 at the American University of Beirut**
 - Organized team meetings to brief and split tasks among the BeyMUN Logistics team.
 - Provided a status update to keep the BeyMUN cabinet up-to-date through regular weekly meetings.
 - Ensured a seamless 3-day conference that hosted around 300 delegates from all over the world.
 - Coordinated with suppliers to secure all equipment and supplies needed.
- **June 2016 – August 2016 – Audit Intern at PwC Lebanon**
 - Assisted in performing reviews on clients from the real estate, banking and telecommunications sectors.
 - Dealt with client staff to obtain required data to conduct our review.
- **October 2015 – May 2016 – Team Leader of Business Development at the Business Student Society of the American University of Beirut**
 - Coordinated with the Cabinet of the Business Student Society, our Business school's administration and our large number of team members to brainstorm, plan and execute various events that added value to the experience of students at AUB.
- **December 2015 – January 2016 – Audit Intern at Deloitte Lebanon**
