EXPERIENCE

BEIRUT DESIGN WEEK. BEIRUT, LEBANON 2018

- Selected to present and exhibit thesis work as part of the 2018 final year thesis exhibition. The event was part of a series of events celebrating the 50th anniversary of the architecture department at the American University of Beirut and part of the Beirut Design Week.

DI-LAB. BEIRUT, LEBANON 2017

- 2 months internship. Worked as part of a team of students on a local project in Tyre, Lebanon. The designed deployable structure aimed to raise awareness about endangered turtle species on the Lebanese coast. It was in collaboration with a local NGO. The project was later published on archdaily.com. Worked also on the stage design of Mashrou' Leila's (Lebanese band) August concert in Ehden. This project was in collaboration with Greenpeace.

TECH-LAB at the AUB architecture dpt. BEIRUT, LEBANON 2017

- 8 months work-study as part of the Techlab team. Handled 3D printers. Organized orientation sessions about 3D printers and advanced technology. Operating laser cutters, printers and CNC machines.

BAENA-CASAMOR ARQUITECTURA (BCQ), BARCELONA, SPAIN 2016

- 3 months internship. Worked as part of a professional team. Produced detail drawings and final renders. Developed design concepts for two local competitions.

DEWAN ARCHITECTS+ENGINEERS, DUBAI, UAE 2015

- 1 month internship. Exposed to work strategies and design methods. Understood the working environment.

AMERICAN UNIVERSITY OF BEIRUT, BEIRUT, LEBANON 2015

- Participated in a wood workshop given by Rintala Eggertsson Architects. Developed a concept and built it on site. Learned how to process wood using the adequate tools and machinery.

LYCEE FRANCAIS INTERNATIONAL GEORGES POMPIDOU, DUBAI, UAE 2013

- Elected as committee of final year along other classmates responsible of the organization of different charity events.

AMERICAN UNIVERSITY IN DUBAI, DUBAI, UAE 2010

- Voluntary work at the student services of the university, 6 hours a day for 3 weeks, organized outings and interacted with the students.
