ABOUT ME

A photographer / videographer based in Beirut with a passion for filmmaking and constructive conceptual photography. Always on the search for new experiences, collaborations and versatile job opportunities to enrich my working experience.

WORKING EXPERIENCE

Freelancer

Self-employed / 2016 - 2018

Shooting creative processes (personal photography), shooting + editing events (such as weddings, product shooting), managing a filmic crew as a production coordination / manager (handling the schedule, sponsors, equipment, time sheets for student short films)

Fashion Photographer + Social media manager

RUD Beauty Concept / July 2016 - January 2017

Shooting video beauty tips, makeup tutorials as well as still images varying from hair & makeup, the location to beauty products while also handling RUD's instagram account.

Editor

Hisham Saba Photography / June - November 2017

Editing the wedding footages shot to become one whole multi-segmented video.

Videographer + Editor

Jaras TV / Scoop Productions / January - April 2018

Shooting, editing, going live via OBI Stream with videos to be upload on the future Jaras online TV app while managing the content of the videos with the channels' hosts and guests.
