

Rama Shikhani

CAREER OBJECTIVE

Searching for a position as a Graphic Designer to utilize skills in critical thinking, communication and electronic media.

EXPERIENCE

Jan 10 to Present

Freelance Graphic Designer

During this period, I have worked as a freelancer for a number of advertising companies and other graphic design projects.

Acquired Skills:

- Worked on layout designs for a number of companies
- Gained knowledge of printing processes and the ability to plan my designs accordingly
- Patience and maintaining high level of professionalism
- Time management
- Attention to detail

Nov 05 to March 09

Senior Modeler

Post Office, P.O. Box 50-266, Beirut, Lebanon

Acquired Skills:

- Gained extensive knowledge in 3D Layout
- Acquired practical skills in modeling of characters and objects (transferring images from 2D to 3D) for animation
- Gained experience in handling facial expressions and animation
- Time management

Throughout my work, I used a number of computer programs with emphasis on Photoshop and Soft Image (XSI).

Jan 03 to July 05

Modeler

Star Animation, P.O. Box 30091, Damascus, Syria

Acquired Skills:

- Practice in free hand animation sketches
- Enhanced my skills in 3D layout, where I prepared the posing of all the characters for animation
- Gained experience in animation, where I managed the movement of all the characters, as well as adjusting the characters' expressions
