PROFILE

👋👋 I am a self-motivated, ambitious, eager to learn and increase my experience. I am responsible fresh graduate with good communication skills and work ethics beside being creative. I am willing to take responsibility, to prove my experience that I gained through my life. In this resume you will find some projects I did and some experience I gained through my life. Kindly, take your time, checking my resume. 👋👋

EDUCATION

2013 - 2018

○ BACHELORS DEGREE IN MECHATRONICS
ENGINEERING
American University of Science and Technology

EXPERIENCE

2006 - 2017

○ Garage Jaafar Kheir for Motorcycles

Mr. Jaafar Kheir is my father, I started working with my father in young age from 11 till 19, every summer I used to work with him in order to help him and that made me a responsible person. Moreover, in this garage I do most my projects

2014- 2015

○ Zaatar W Zeit restaurant

I worked in Zaatar W Zeit Bliss branch, I was a runner and in a four-month period I was hired and became a waiter.
