### PERSONAL STATEMENT

---

Architecture and design consultant seeking an opportunity to expand within the creative industry and branch out into tech-based companies.

### PROFESSIONAL EXPERIENCE

---

#### PROJECT-BASED DESIGN CONSULTANT:

##### **Naji Assi Architects — Beirut, Lebanon.**

May 2017 – Present

Took on work responsibility in all ongoing projects and involved in managing office operations. Liaised with sub-consultants, contractors and clients, and ensured quality and compliance of work deliverables. Led a great part of individual and team work on several projects.

- **Maasser Private Villa – Maasser El Chouf, Lebanon.**  
Assigned responsible for project completion from start to end. Produced full sets of drawings and documents related to schematic, permit, and construction phases. Coordinated with sub-consultants, contractors and client, and took part in site supervision.
- **Al Ghabeh Private Villa – Broummana, Mount Lebanon.**  
Handled all permit drawings for renovation and construction details. Communicated thoroughly with client and coordinated with contractors as part of site supervision.
- **Museum exhibition design and management (confidential) – Abu Dhabi, UAE.**  
Assigned in charge of all technical production and deliverables of 3 design phases. Generated 3D simulation and detailed drawings of entire exhibition layout in coordination with scenographer and produced schedules and BOQ's as part of project management scope.
- **Feasibility study for state-sponsored housing Medawar 727 – Achrafieh workshop**  
Collaborated on conducting research and formulated the conceptual massing of the project.
- **G. Residence – Okaibi, Keserwan Mount Lebanon.**  
Assisted in delivering construction drawings in coordination with MEP consultants and client.
- **Competition for Hadath Municipal Stadium – 3<sup>rd</sup> prize winner**  
Contributed to teamwork on the design and presentation of a 10,000 m<sup>2</sup> sports stadium.

##### **Freelance work**

March 2018 – Present

- **Saifi F2A/F3a Interiors – Saifi Beirut, Lebanon.**  
Designed the interior of 2 loft apartments and coordinated execution with contractors.

##### **Polypod — Beirut, Lebanon.**

December 2016 – April 2017

- **Ahlam Golf Resort - Clubhouse and Equestrian Complex, Kfardebian, Lebanon.**  
Conducted research and produced detailed drawings for part of the golf house master plan.
- **Roumieh Roumieh Art and Community Center, Roumieh, Lebanon.**  
Produced detailed drawings and assisted in material finish and furniture selection.

#### JUNIOR ARCHITECT:

##### **Dar Al Handasah (Shair & Partners) — Beirut, Lebanon.**

July 2015 – November 2016

- **AMI – Al Maktoum International Airport in Dubai, UAE.**  
Concept Design work on a 300,000 m<sup>2</sup> section of the concourse building housing core functions and major passenger flows. Using BIM processes on Revit to coordinate work with interior, structural, mechanical, electrical and telecommunications departments.
