SUMMARY

Motivated Computer Science graduate with a strong foundation in full-stack development and a passion for solving real-world problems through technology. Skilled in C#, PHP, JavaScript, and React, with hands-on experience building web applications such as an ASP.NET MCQ system. Fast learner with a growth mindset, combining technical abilities with strong communication and problem-solving skills, and eager to contribute to dynamic software development teams.

EDUCATION

Bachelor of Science in Computer Science | Lebanese University

July 2025

TRAINING AND PROJECTS

React – The Complete Guide 2025 | Udemy

August 2025 – Present

The Piscine at 42 Beirut: Immersive Peer-Learning & Coding Challenge

February 2025

- Completed a 28-day intensive coding bootcamp focused on peer learning and hands-on projects.
- Participated in 42 Network Rush 01 & 02 projects, developing problem-solving, coding, and teamwork skills in C and algorithm design.

MCQ Quiz System (C#, .NET):

May 2025

- Developed a web-based quiz system with login/signup, student management, and an admin panel to create quizzes and manage students.

PHP Project – Article Management Website

December 2024

- Built a website to add, delete, and display articles and sections without a database.

PROFESSIONAL EXPERIENCE

Special Education Teacher | Special Education Center (SEC)

September 2024 – June 2025

- Taught scientific subjects (Math, Physics, Chemistry, Biology) to ~20 students/month, adapting to diverse learning styles.
- Provided personalized support to help students overcome learning difficulties and grasp complex concepts.
- Developed tailored learning plans, improving engagement, performance, and creating a positive learning environment.

SKILLS AND LANGAUGES

- **Programming Languages:** C, C#, Java, Python, JavaScript, PHP, SQL.
- **Frameworks & Tools:** React.js, ASP.NET, WordPress, HTML5, CSS, Git.
- **Other Technical:** Data Structures, Algorithms, Database Management, Debugging, System Design.
- **Soft Skills:** Problem Solving, Communication, Teamwork, Adaptability, Critical Thinking, Time Management.
- **Arabic** (Native), **English** (Intermediate), **French** (Intermediate).
