EDUCATION

Lebanese International University

Bachelor of Arts in Computer Science

Beirut, Lebanon

Oct. 2023 – Present

EXPERIENCE

Comprehensive Web Development Bootcamp/Internship

CodeWithSerah Community

Sep. 2024 – Present

Beirut, Lebanon

- * Developed responsive web applications using HTML, CSS, Javascript, and React.js, ensuring cross-browser compatibility and mobile-first design
- * Debugged and fixed UI/UX issues, enhancing usability based on user feedback
- * Explored ways to visualize GitHub collaboration in a classroom setting and optimized website performance by reducing load time

PROJECTS

Crime Reporting Database | SQL, MSSMS, Draw.io

Oct. 2024 – Present

- Developed a robust and scalable database structure to organize crime reports
- Ensured data integrity and optimized database performance for large datasets
- Implemented complex SQL queries to allow users to retrieve specific insights and generate reports.
- Collaborated on database design, focusing on normalization and indexing for efficiency

Movie Site | Html , CSS, Tailwindcss, Figma

March 2025

- Built and styled web pages using HTML, CSS, and TailwindCSS, ensuring a seamless user experience across devices
- Managed version control and collaboration using Git and hosted the project on GitHub
- Focused on optimizing design elements for faster loading times and a clean, aesthetic interface
- Created and edited designs from figma and added table charts and pie charts to my project from figma

Personal Porfolio | HTML, CSS, TailwindCSS, Javascript

Jan. 2025

- * Designed and deployed an interactive portfolio to showcase projects, skills, and accomplishments in a visually appealing manner
- * Managed version control using Git and hosted the portfolio on GitHub for easy accessibility
- * Built the website using HTML and CSS, Javascript, and TailwindCSS ensuring a responsive design for optimal user experience on various devices
- * Highlighted projects, certifications, and technical skills to demonstrate expertise effectively

TECHNICAL SKILLS

Languages: Java, Python, SQL, JavaScript, HTML/CSS,

Frameworks: Tailwindcss, Bootstrap, WordPress

Developer Tools: Git, Github, VS Code, Visual Studio

Libraries: , ,

CERTIFICATES

- Cisco Certified Network Associate (CCNA) - Introduction to Networks
