PROFESSIONAL EXPERIENCE

Issam Fares Institute for Public Policy and International Affairs, Economic Analyst Intern *June 2025 – Present*

- Constructing SWANA region AI exposure indices by integrating large language model capabilities with employment and infrastructure datasets to quantify AI vulnerability and readiness across sectors.
- Training a two-branch deep learning model combining image classification and semantic segmentation to detect rooftop solar panels in SWANA region, enabling scalable spatial-temporal analysis of solar adoption.

For Youth, By Youth, Fellow *March 2025 – May 2025*

- Selected as one of 50 youth leaders worldwide for the inaugural For Youth, By Youth fellowship.
- Awarded \$2,500 in project funding by the Mastercard Foundation to develop a scalable labor reintegration platform delivering multilingual, expert-led courses in AI, fintech, and digital entrepreneurship.

Floating Laboratory of Action and Theory At Sea, Researcher *Sept 2024 – May 2025*

- Supported the development of interactive mapping tools for maritime activity using QGIS and Python.
- Created and structured the spatial dataset used to map the activity patterns for visualization.

Five One Labs, Business Development Intern *Sept 2024 – Dec 2024*

- Consolidated a database on 100+ startups with quantitative analyses to inform the Business Backing Program.
- Supported creating training modules for early-stage entrepreneurs covering foundational financial literacy, customer profiling, and Total Addressable Market (TAM) analysis.

Institut des Finances Basil Fuleihan, Compliance Analyst Intern *June 2024 – Aug 2024*

- Analyzed procurement data under Lebanon's Public Procurement Law to uncover inefficiencies and compliance gaps in municipal operations.
- Contributed to advisory efforts for municipal stakeholders in partnership with UNDP and World Bank Group.

EXTRACIRCCULAR EXPERIENCE

BEYMUN 2025, Under-Secretary-General of Logistics and Operations *Sept 2024 – May 2025*

- Directed end-to-end logistical planning for a UN-simulation conference hosting 650+ delegates.
- Coordinated service contracts and stakeholder deliverables to align operations with event goals and budgets.

TEDxAUB, Logistics and Sponsorship Director *Jan 2025 – May 2025*

- Raised \$2,000 in sponsorships to support the main event's execution with 100+ attendees.
- Managed day-of logistics and sponsor deliverables to ensure high-quality, cost-effective event delivery.

AUB Outlook Newspaper, Managing Director, Junior Editor, Staff Writer *Sept 2023 – May 2025*

- Produced weekly issues across print and digital platforms by directing publication and editorial strategy.
- Led teams in media, HR, data analytics, and web development to maximize the reach of writers' work.

AUB Undergraduate Research Volunteer Program, Research Assistant *Sept 2024 – May 2025*

- Assisted in conducting research for Dr. Nikolas Kosmatopoulos in the AUB Political Studies department.
- Created structured datasets and visualized data for academic publishing.
