SUMMARY

Versatile and motivated graduate with dual degrees in Computer Science and Computer Engineering, offering a strong foundation in both theoretical principles and practical applications of software development. Skilled in full-stack web, system architecture, and collaborative project execution. Adept at translating complex requirements into efficient, scalable solutions using modern technologies. Eager to contribute to high-impact development teams and grow within a fast-paced, innovation-driven environment.

TECHNICAL SKILLS

Languages: Python, Java, MySQL, JavaScript, PHP

Frameworks: Laravel

Tools: React, Git/GitHub, Android Studio

EXPERIENCE

Cedars Software Solutions (CSSLTD)

Frontend Developer Intern

Apr 2025 – Jun 2025

Lebanon

Built dynamic React interfaces with reusable components.

Created PHP REST APIs for gym member and finance systems.

Integrated backend with MySQL and connected it to frontend.

PROJECTS

Gym Management System

Full-Stack Web Application

Apr 2025 – Jun 2025

PHP, React, MySQL

Admin panel for gym operations (members, coaches, subscriptions).

Reusable components with form validation and dynamic popups.

GitHub: CSSLTD-GYM

Code Snippet Organizer

Web App for Developers

Mar 2025 – Apr 2025

Laravel, React, MySQL

Organized code snippets by language and tags with search/filter.

User authentication and full CRUD operations.

GitHub: Code_Snippet_Organizer

Queue Management System

Mobile Application

Jan 2023

Java, Android Studio

Real-time queue tracking and notifications for customers.

Separate apps for users, employees, and business admins.

EDUCATION

Lebanese International University

B.S. in Computer Engineering – GPA: 3.75/4.0

Lebanon

Oct 2021 – Jun 2024

Lebanese University

B.S. in Computer Science

Lebanon

Oct 2021 – Jul 2024

CERTIFICATIONS

Fundamentals of Computer Science (FCS)
