## Summary

A creative and self-driven Graphic Designer with a passion for crafting transformative visual experiences, I excel in creating impactful designs that resonate with audiences and elevate brands, I thrive in fast-paced environments and committed to delivering high-quality work on time while building a loyalty-based relationship with my clients

## Experience

### Graphic Design Intern

Jan - Feb 2024

Beirut Arab University Media Center

I led the creation of visually engaging podcast posters, managed and maintained a consistent Instagram posting system, and actively contributed to developing and refining the center's overall social media strategy.

### Graphic Design Intern

Jun - Aug 2024

USAID/Chemonics International

I designed and developed visuals and graphics for the CSP closing event, working closely with CSP's communication expert to ensure alignment with USAID branding, while maintaining high quality, consistency, and timely delivery across all materials.

### Junior Graphic Designer

May - Jun 2025

Eleven Design Studio

I contributed across various creative projects, including producing engaging Instagram reels, designing custom costumes for restaurants, creating logos, and supporting diverse branding and marketing tasks
